

PROPOSAL (Annex A) GUIDELINES

Your proposal should cover the guidelines set out below.

Artistic Objectives & Artist's Statement

Describe your artistic practice and intent. What are your guiding principles when working with a community? Refer to your attached samples of past work if relevant to any part of this section.

Capability Development Objectives

What do you wish to gain or learn through this Residency?

How will this experience contribute to your practice, skills, and immersion in the art form/sector?

Residency Proposal

Please provide details of your proposed Residency. As the dynamic conditions of community artmaking processes would require you to adapt and adjust your plans, please also include plans for scenarios with limited in-person interaction and include options of conducting the engagements and showcase digitally or in hybrid modes.

Attach links to textual, visual, or digital supporting materials or reference samples of past work to illustrate or elaborate on your proposal as follows.

Theme/Concept/Line of Enquiry

What aspects of *SCAPE and/or the youth community do you intend to involve, explore, and investigate?

Objectives/Outcomes

What impact do you hope the Residency – both the process and artistic product – will have on the community and spaces in *SCAPE?

Quantitative Output

No. of artworks, no. of audience and participants engaged etc.

Residency Details

What artistic approaches will you apply, and how? When and where will this take place? (Elaborate in the Monthly Milestones/ Progress Tracking calendar below)

Showcase

Describe the scale, medium, and appearance of the intended showcase if possible. How, when, where and to whom will it be presented?

Total Budget

Please provide a breakdown in your attached Budget Form (Annex B).

Monthly Milestones

In the calendar below, please fill in your plans and the monthly milestones of the Residency period. Tell us how you will track your progress, in terms of the development of the artistic ideas and concept, the community engagement process, creation and implementation of your final work, as well as preparation of reports and documentation.
